By direction of the President, the Secretary of the Senate read the following Report of the Select Committee appointed pursuant to Senate Rule 15.2 to inquire into the recommendation of the Governor concerning the removal from office of Marvin Holland as Constable of Jefferson County, Florida:

*The Honorable Verle A. Pope
President, The Florida Senate
Tallahassee, Florida*

On the 14th day of April, 1967, the Honorable Claude R. Kirk, Jr., Governor of the State of Florida, recommended to the Florida Senate, the removal of Marvin Holland as Constable of Jefferson County, Florida, pursuant to Article IV, Section 15, Constitution of the State of Florida.

The basis of said recommendation was an Information issued against the said Marvin Holland by the Honorable William Randall Slaughter, State Attorney of the Third Judicial Circuit of Florida, charging that the said Marvin Holland "did unlawfully receive and aid in the concealment of personal property . . . knowing the same to have been stolen", in violation of Section 811.18, Florida Statutes. The Governor charged that:

"The evidence contained in said Information reflects misfeasance, malfeasance and incompetency in office."

The Governor correctly pointed out in his message to the Senate, that while the Senate is in session, he does not have the power of suspension of a public official but is limited to recommending his removal.

As you know, under the provisions of the Constitution, the Senate has only two choices of action: (1) It can respond to the recommendation by removing the public official in which event he is out of office; and even though he were later found, after trial, to be innocent with reference to the Information, he could not be reinstated in office. (2) The Senate could choose not to remove the said Marvin Holland, in which event the Governor could suspend him if the Legislature adjourned prior to the time of his trial.

Your committee has consulted with Mr. Slaughter, and he assured the Committee that the trial will be held just as quickly as time can be obtained before the Court. Your committee has further conferred with Mr. Howard Williams, Attorney representing said Marvin Holland, and has been advised that the said Marvin Holland desires and seeks an early trial and will file no dilatory or delaying motions.

Your committee feels strongly that it does not have the right to pre-judge the guilt or innocence of the said Marvin Holland; with reference to the charge of the Information, prior to his trial. Your Committee is firmly of the opinion that if said Marvin Holland is convicted, it will recommend to the Senate his formal removal from office, and also if found to be innocent your committee would not, based upon the grounds cited by the Governor in his message to the Senate, recommend removal.

If Holland has not been tried by the time the Legislature goes out of session, the Committee feels that the Governor would and could suspend. If the trial takes place while the Legislature is in session your committee will promptly make a recommendation based upon the outcome of said trial.

It is, therefore, your committee's recommendation that until the trial of the said Marvin Holland, pursuant to the Information filed against him, takes place the Florida Senate should take no action on the message of the Governor recommending his removal.

Dated this 3rd day of May, 1967

EXPLANATION OF VOTE

I voted "no" on SB 3 because I believe it is in direct contravention of the Florida Constitution prohibiting a lottery. Any such change in public policy should come by constitutional amendment requiring a vote of the people and not by statute.
